

Lyme Disease: The Epidemic of Our Time

PRESENTED BY

Katina I. Makris
CCH, CIH

Katina Makris offers a unique vantage point of insight into Lyme disease as both patient and practitioner. Having survived a ten-year recovery from misdiagnosed Lyme, along with years of professional experience with this quixotic illness, Katina's presentation is practical as well as steeped in intimacies of the nature of Lyme disease and its co-infections.

*W*ith eloquence and intelligence, Katina shares practical healing information and inspiration on chronic Lyme disease recovery. Her calling is to promote Lyme disease awareness, yet her passion is to ignite the body-mind-spirit healing pathway available in all of us. The lyme afflicted, their caregivers and healthy people all can benefit from her powerful message of hope.
